

**Calling for Parents in the Victoria, Greater Vancouver and Castlegar Areas!**

## **PARENT PARTICIPATION SESSIONS**

Do you have a child who is participating, or waiting to participate, in one of the following government funded programs?

Infant Development Program	Aboriginal Infant Development Program
Supported Child Development Program	Aboriginal Supported Child Development Program
Early Intervention Therapy (Occupational Therapy, Physiotherapy, and/or Speech Language Pathology)	School Aged Therapy (Occupational Therapy and/or Physiotherapy)

We would like to share information with you about the *Early Childhood Intervention Services Prioritization Framework*, which has been developed to help guide organizations in their prioritization of early childhood intervention services for children and families. The vision of this framework is: Children and their families access the appropriate early childhood intervention services at the appropriate time to help them reach their full potential.

- ❖ **We want to learn how to roll-out the Early Childhood Intervention Services Prioritization Framework in a way that makes sense to families.**
- ❖ **We would like to hear your perspective on both the benefits and any unintended impacts of the Framework. These perspectives will be used to help plan for the implementation of the Framework.**

### **Details:**

- In-person session with 6-8 participants; 1 hour in length
- Facilitator will present information on the Framework, and then facilitate a discussion with participants
- Refreshments will be provided
