Hello BCACDI Member Agencies!

1. BCACDI Data Report

BCACDI's first data report is now available on our website! Thank you everyone for your support of this work and looking forward to utilizing it to strengthen our advocacy efforts. There is already considerable interest within the sector and next week we will be presenting it to the First Call Coalition meeting. Visit <https://www.bcacdi.org/resources> to find it. Feel free to share!

2. February Member's Meeting

Being that the holiday season is somehow already approaching, here is the February member meeting info for those of you keen to arrange your plans for 2020:

February 13th/14th, Pacific Gateway Hotel, Richmond

Phone: 866-382-3474 (604-278-1241)
Email: res@pacificgatewayhotel.com
Event Name: BC Association for Child Development
Code: 1287599

3. CanAssist Tech Workshop

CanAssist did a fantastic job facilitating a workshop a couple of weeks ago in Vancouver where therapists from across BC shared how they are utilizing the tech baskets they've received. Thank you to all of you who supported your clinicians in presenting and/or participating in the event. For those of you with staff not as engaged in the project but with an interest to learn more, have them head to the webpages created by CanAssist specifically for this initiative:

4. BCACDI Members Annual Survey

Okay, I promise, this will be the last survey request of the year! The BCACDI Board looks to this survey to help us form our priorities for the upcoming year, so please take 10' to complete!

5. Specialized Sitter Training Registration

Registration now open for the next session of Specialized Sitter training. The session starts on January 13th. Please help us spread the word about this opportunity! Poster with details attached, and online registration here:
