

CVCDA Telethon through the lens

The 41st annual Comox Valley Child Development Association Telethon took place Sunday, Nov. 6, 2016 at the Sid Williams Theatre in Courtenay, and *Record* editor Terry Farrell was there with his camera. Here are a few of his favourite shots (clockwise, from below). Brian Scott works on a creation in the lobby; volunteers were kept busy on the phones all day; how a cameraman sees the stage; the production crew kept things running smoothly; a young dance group performs; some last-minute ticket purchases on the gift basket raffle; Sid Williams makes a special appearance to draw the winning name in the basket raffle. Opposite page, top - Bonny Ervin of Royston peruses the silent auction tables; bottom, the grande finale. A total of \$111,388 was raised Sunday, making it the second-most successful CVCDA Telethon in its 41-year run.
