AGENDA

PART I - CONSENT AGENDA

Consent Agenda – is a bundle of written items that is voted on, without discussion, as a package. It differentiates between routine matters not needing explanation and more complex issues needing examination. The main purpose of a consent agenda is to liberate board meetings from administrative details, repetitious discussions, and misdirected attention. A Director may request an item be removed from the consent agenda prior to the ‘motion to accept minutes and all written reports on the consent agenda’ and the item is then placed on the regular agenda.
